COMPACT GASTRONORM COUNTERS WITH DOORS OR DRAWERS

Description

The exterior and interior are made out of high grade AISI 304 stainless steel, which is ideal for any food related applications due to its high durability against oxidising acids, making the surfaces easy to sanitise. To aid cleaning, the internal corners are rounded and the door gasket and condenser filter are removable.

The Blizzard compact storage counters can either include doors or drawers depending on your preference. All units come with adjustable feet plus the option for castors.
