Blizzard

CURVED GLASS REFRIGERATED SERVE OVER COUNTER

Description

If you're looking for a softer approach to your serve over counter then the BCG range is the perfect option and matches up with the BFG pound for pound when it comes to head lining features that are just too good to miss.

A laminated steel exterior, stainless steel back shelf and display deck, hydraulic front glass mechanism, castor feet, refrigerated under storage, internal glass shelf and more all make this Blizzard counter unit the perfect solution no matter your needs.

Features

- Laminated steel exterior; Painted interior; Grey ABS injected side panels
- Stainless steel back shelf & display deck
- Anodised aluminium profiles
- Sliding perspex door
- Intermediate glass shelf
- LED illumination under top canopy
- Refrigerated under storage
- Hydraulic front glass
