## STAINLESS STEEL COUNTER TOP INDUCTION HOB

### Description

The BIH induction hobs from Blizzard are not only more efficient compared to traditional methods but look the part too thanks to the black glass hob and touch control panel with an LED display on the front.

The BIH range gets up to optimal temperature quickly using less energy than conventional methods and thanks to its timer, automatically turns off the unit after 2 hours of inactivity. This safe & easy to use unit is a staple in any catering kitchen.
