

BPW1

PASS-THROUGH COUNTER TOP HEATED MERCHANDISER

Description

The BPW1 is the perfect choice for a service counter top heated display. With 3 hinged doors to both sides of the unit users have easy access to the 3 fixed shelves inside and should have no issues seeing the product they're choosing thanks to the integrated LED lighting to the side of the unit.

Constructed from stainless steel and glass throughout this clean looking unit is temperature adjustable thanks to its integrated temperature controller.

Features

- Stainless steel construction
- Brilliant Internal LED illumination on sides
- Non-adjustable chrome plated shelves
- Adjustable temperature controller
- Front and rear access with hinge doors
