

STORM50BT

STORM THERMO-STOP DISHWASHER WITH BREAK TANK

Description

A lot like its glass washing sibling the WRAS approved STORM-BT range offers unrivalled value for money with some outstanding features to suit. Fitted as standard with an integrated break tank, detachable spray arms, surface filters and more.

Although coming as standard with a gravity drain you can further the ease of use of the unit via the optional integral drain pump variant offering more flexible options when it comes to drainage and unit fitting options.

Features

- High grade 304 stainless steel construction
- Pressed tank and rounded corners to aid cleaning of machine
- Double skin door for quieter running and improved efficiency
- Rotating wash and rinse arms removable for cleaning
- Fitted with break tank and rinse booster
- Surface filters as standard
- Automatic detergent and rinse aid dosing
- 3 cycles - 90/120/180 seconds
- Available with or without drain pump (DP)
