LOW ENERGY WHITE LAMINATED CHEST FREEZER

Vestfrost have supplied a low budget and even lower energy chest freezer perfect for small catering spaces. Featuring white anti-corrosion painted plate, or a stainless steel lid with silver exterior and aluminium interior allowing for safe storage of frozen food. Supplied with internal illumination, drain and drip tray and a skin condenser.

Featuring four plastic feet and lock fitted as standard, this unit will meet your freezer needs without breaking the bank.

| MODEL | GROSS CAPACITY | BASKETS SUPPLIED | MAX NO. OF BASKETS | REFRIGERANT | TEMPERATURE RANGE | EXTERNAL DIMENSIONS (mm) | ENERGY RATING | POWER USAGE | KWH/ANNUM | POWER | WEIGHT (kg) |
